Artwork by Patrick Lyons
“Slivers of Time”
Exhibition Dates: August 1-September 31, 2009

Carina Cellars is proud to feature the artwork of Santa Barbara photographer and Carina Cellars staff member, Patrick Lyons. Originally from the Bay Area, Lyons came to Santa Barbara to study photography at Brooks Institute in 2005. During the past four years Lyons worked at several wineries in Santa Ynez Valley including Beckman, and now currently Brander and Carina Cellars.

Lyons has always enjoyed looking at the world a little differently, and photography has allowed him to share that view with others. Photography provides him the tools for looking at time differently as well, since the lens can be sped up, slowed down, or even stopped altogether. Through the creation of this series, Lyons was able to combine his passion for photography, his love of wine and his fascination with time into one project.

“Slivers of Time” will be on display from August 1 until September 31 in the Carina Cellars Tasting Room at 2900 Grand Avenue in Los Olivos, CA, which is open daily from 11a.m. to 5p.m. For more information go to www.carinacellars.com or call the Tasting Room at (805) 688-2459.
